

Union Pier Cruise Terminal  
October 28 Listening Session Summary

Suggestions for Uses

- Public access/public use/multi-use
- View corridors
- Cruise terminal that welcomes visitors in a way that respects Charleston, its history and character
- Greenspace, extend walkway/Waterfront Park

Should Be Addressed/Considered in Plan

- Coordinate with other area plans - Preservation Plan, Calhoun St., Market St.
- Look beyond study area - for cruise facility and to plan traffic, parking, etc.
- Traffic and transportation has to work well, mitigate impacts
  - Ship, pedestrian, emergency (hurricane)
- Mitigation of any pollution (air, noise)
- Efficient use of area/buildings

Information Requested

- Impact to economy
- Business/financial model
- Comparative cruise terminal cities
- Number of cruises
- Size of cruise terminal
