Demurrage for Some Export Loads Reduced 20%

Temporary reduction to go into effect tomorrow.

The South Carolina State Ports Authority is reducing its Port of Charleston Tier 1 demurrage charges for loaded export non-reefer containers by 20% beginning February 1, 2008. With this action, terminal demurrage for export loaded non-reefer containers, on chassis or grounded in the terminal, drops from \$12.50 per TEU, per day to \$10.00 per TEU, per day, for each of the first three calendar days of demurrage. The reduction will remain in place from February 1 - May 31, 2008.

Thank you for your business.
