

New Combo Breakbulk/Container Service Begins April 1

National Shipping Company of Saudi Arabia adds Charleston to its North America liner service.

March 18, 2009

Importers and exporters please be aware of the new liner service being initiated by National Shipping Company of Saudi Arabia. The North America service will connect Charleston and select ports in the Middle East, Med, and India.

Cargoes: Containers, traditional breakbulk, roll-on/roll-off.

Foreign Port Rotation: Jeddah (Saudi Arabia), Jebel Ali (Dubai), Jubail (Saudi Arabia), Dammam (Saudi Arabia), Port Qasim (Pakistan), Mumbai (India), Jeddah (Saudi Arabia), Livorno (Italy).

Frequency: Every 21 days.

First Vessel: *Saudi Tabuk* on March 31 or April 1, 2009.

Booking Freight: Call NSCSA at 410-625-7000 or 1-800-732-0204.

Local Agent: Carolina Shipping / 843-769-5531

NSCSA's North America service will offer a new multi-dimensional means of moving your freight to and from these key international markets via the Port of Charleston's efficient marine terminal operations.

Keep in mind that Charleston offers best-in-market high and wide rail and highway clearances for handling your oversized unit needs as well as shipside rail and truck service.

For more information please contact NSCSA, Carolina Shipping or your Port of Charleston sales representative.
